Specifications

BUILT TO YOUR DRAWINGS

Exact dimensions, MOQ, lead time and pricing are confirmed in writing per quotation.

Product specification

Widths	Standard U.S. widths and custom widths
Depth / height	Confirmed per model
Cabinet	Painted, veneer, fluted or stainless steel fronts; soft-close hardware
Top & basin	Integrated acrylic solid surface or vessel sink
Faucet holes	Single-hole, 4" or 8" centerset
Drain	Left, right or center; ramp / slot options
Mounting	Wall-mounted floating; freestanding on request
Compliance	cUPC & CE certified; documents on request

What we customise

- Dimensions, depths, apron heights and site cutouts
- RAL / Pantone colour matching and custom veining
- Curved basins, integrated double bowls, seamless ramps
- Laser-engraved logos, badges and private-label cartons
- Drop-tested cartons, foam protection, export palletisation
- Knock-down or assembled packing, per your logistics

Why one supplier

- Cabinet, top and basin produced and matched together
- One drawing set, one approval sample, one schedule
- 21 years of solid surface manufacturing

Mirrors, faucets and accessories shown in the photography are for illustration only - supply scope is confirmed in writing per quotation. Need a spec sheet for a tender or a project submittal? Send the product list and we will return a filled-in specification sheet with dimensions, packing data and compliance documents.

REQUEST A QUOTATION

Let's price your next vanity order.

Shortlist the item codes you like, or send your own drawings and BOQ. We reply with specifications, MOQ, lead time and a project-specific quotation.
